B How to fill in the form

Section 1 – Information you can request

Multiple requests

You can make a request for information for more than one vehicle, as long as the reasons given in sections 4 and 5 and the location given in section 6 are the same for all vehicles.

You do not need to fill in section 3 or the date of incident in section 6.

You can send with this form, a list of up to 15 vehicles per sheet on company headed paper. For each vehicle you must give us the Vehicle Registration Number, make and model, the date of incident and your reference number.

If you make frequent requests for information you may want to consider doing this electronically in future. For more information go to www.direct.gov.uk/dvlatadataprotection

Section 2 – Company details and résumé

Give all the details asked for. You must provide us with evidence that you are running a parking charge scheme.

We need written confirmation:

- that you own the land that the parking charge scheme is on, or
- from the landowner that you are acting with their consent (if you are an agent);
- that signs are clearly visible and comply with the ATA code of practice.

Type of company

You must tell us what type of company you run, for example, car parking companies, solicitors and so on. If you are a car parking or wheelclamping company you must be a member of an Accredited Trade Association (ATA) to request information from DVLA either electronically or by post, otherwise we will reject your request for information.

If you process or store any personal information using a computer, you **must** have a data protection registration number. For further information on how to obtain this number, you should visit the Information Commissioners website at www.ico.gov.uk

Section 3 – Details of the vehicle you want information about

Give all the details asked for. If you cannot give all these details, we may not be able to process your request. You do not need to fill in this section if you are making a multiple request – see note B, section 1 for information about multiple requests.

Section 4 – Why do you want the information?

You need to describe the situation that has led to you wanting the name and address of the registered keeper of the vehicle in section 3, and how the vehicle was directly involved in the situation.

If you are making a request for information on more than one vehicle, the information you give in this section must apply to every vehicle.

You can continue on a separate sheet if necessary.

For audit purposes you must keep the information given by DVLA and the evidence why you wanted this information for at least 2 years.

Section 5 – How are you going to use the information?

To consider your request, we need as much detail as you are able to give about how you are going to use the information.

If you are making a request for information on more than one vehicle, the information you give in this section must apply to every vehicle.

You can continue on a separate sheet if necessary.

The information you ask for should only be used in a fair and responsible way and for the purpose for which it is requested.

If we get a legitimate complaint about information obtained unlawfully we will pass it to the Information Commissioner to consider prosecution. If we have evidence that information has been obtained or used inappropriately, we can refuse all future requests.

Section 6 – Details to support your request

Give all the details asked for. If you cannot give all these details, we may not be able to process your request.

You do not need to give the date of incident in this section if you are making a multiple request – see note B, section 1 for information about multiple requests.

If the vehicle has been involved in more than one incident you will need to make a separate request for each incident.

Section 7 – Declaration

You must sign and date the declaration, otherwise we will reject your request for information.
